

FLIGHT OF THE EARL'S

FLIGHT OF THE EARL'S BLENDED IRISH WHISKEY

Alcohol by Volume: 40% (80 Proof)

Origination: Product of Ireland

History: *The Flight of The Earls* Irish Whiskey Commemorates the mysterious departure of the Gaelic lords who sailed away in exile to the European mainland in September of 1607. Never to return to their homeland, The Flight of The Earls marked the first of centuries of native Irish departures.

Tasting Notes: Honey color with notes of oak, citrus and caramel. Mellow and soft upon entry with flavors of honeysuckle, vanilla, orange peel and cardamom. A lasting flavor on the pallet calling for a second sip

Best served neat on its own or as a twist used in traditional whiskey cocktails.

Formats: 750ml/12 bottles
